The Original Document Now Held

The note from the Mohican, which was found off Puna'un last Saturday and was reported to convey the intelligence that the vessel was in distress off Molokai was merely a harmless joke perpetrated by someone aboard the staunch craft. The note, which is in the possession of The STAR reads as

"Bark Mohican, May 5, 1896. From San Francisco to Honolulu from San Francisco o Honoluti

17 days out. 10 miles off shore
from Molokai. All well and as
hungry as——!!! but not owing
to ill-treatment. (Signed by the officers and passengers, and coun-tersigned by the Steward.) We trust in God."

From the vessel it is learned further that the note in the bottle was thrown overboard out of curiosity to see where it would turn up.

Made Her Feel Well The physician was surprised to find the head of the household at he door with a shotgun.

"Why, what's the matter?" stansmered the doctor.
"That there Seattle beer you give my wife, she says is makin' her feel like. feel like a new woman, and I want you to understand that no new woman business goes in this house. Fust thing I know she'll be out makin' speeches."

New Life for the Aged.

Paine's Celery Compound Gave Health and Strength to a Man of Ninety.

No other medicine is so popular with the old tolks as Paine's Celery Compound. It cures their infirmities, and gives them new life and vigor. What it did for Moses Perin, it will do for all who use it faithfully.

CORONADO BEACH, CAL., Oct. 2, 1894.

Dear Sirs :- I took Paine's Celery Compound for the grip and it did its work well. I used no medicine except this, and found it so good that I did not want any other. My general health has been good ever since I used Paine's Celery Compound which did me more good than any medicine that I have taken for a long time. I worked every day last week although I shall be ninety years old the 4th of next March, and today am feeling splendid and am speaking a good

The Wonders Done By Two Bottles of Paine's Celery Compound.

Mr. Freeburger Has No More Use for a Cane.

Even though you have suffered for years, be not discouraged. A medicine that cured so severe a case as that of George W. Freeburger of Shelton, must possess wonderful powers of healing. Use Paine's Celery Compound and be made well.

SHELTON, WASH., Nov. 12, 1894. Gentlemen: - Three years ago last Christmas I was completely prostrated,-nerves all gone. I took everything that I could hear of, but got little relief. I could not walk ever so slowly even with the aid of a cane, for fifty yards without stopping to rest. About two months ago I commenced taking Paine's Celery Compound, and although I have taken not quite two bottles, I now have no use for a cane and can get around in very good shape for a man over sixty, who has been an invalid ever since the spring of 1862.
